LITFIELD HOUSE 2024 CHRISTMAS CHARITY DONATION

Every Christmas Litfield House donates to a local charity. This year we have decided to donate to the St Peters Hospice.

St Peter's Hospice is a local charity that provides care and support to adults who are living with a progressive life-limiting illness in the Bristol, South Gloucestershire, and North Somerset area. They have been established for over 40 years with the majority of their support provided in people's homes.

People receiving care have a wide range of conditions, including cancer, heart failure, lung disease and neurological illness. Support is focused around the physical, psychological, social, and spiritual issues that can arise as a result of serious illness, in order to improve the quality of a person's life. Everyone is unique, and they provide support with that in mind.

If you would like to donate (Registered charity no. 269177):
